TITLE 50. STATE GOVERNMENT

CHAPTER 27. LOTTERY FOR EDUCATION

ARTICLE 3. BONA FIDE COIN OPERATED AMUSEMENT MACHINES

(f) An application for the renewal of a license or permit must be made to the corporation in accordance with the due dates set forth in the rules promulgated by the board each year.

(g) Acceptance of a license or permit issued under this Code section constitutes consent by the licensee and the location owner or location operator of the business where bona fide coin operated amusement machines are available for commercial use and for play by the public that the corporation's agents may freely enter the business premises where the licensed and permitted machines are located during normal business hours for the purpose of ensuring compliance with this article.

(h) An application for a license or permit to do business under this article shall contain a complete statement regarding the ownership of the business to be licensed or the business where the permitted machines are to be located. This statement of ownership shall specify the same information that is required by the application to secure a sales tax number for the State of Georgia.

(i) An application for a master license shall be accompanied by either the annual or semiannual fee plus the required permit fee due for each machine. Additional per machine permits can be purchased during the year if needed by the owner. An application for a location license shall be accompanied by the appropriate fee.

(j) An application is subject to public inspection.

(k) A renewal application filed on or after the due dates set forth in the rules promulgated by the board, but before the license expires, shall be accompanied by a nonrefundable late fee of \$1,000.00. A manufacturer, distributor, or master license or location license that has been expired for more than 90 days may not be renewed. In such a case, the manufacturer, distributor, master license, or location license owner shall obtain a new license, as applicable, by complying with the requirements and procedures for obtaining an original license.

(l) A holder of a license who properly completes the application and remits all fees with it by the due date may continue to manufacture, distribute, or operate bona fide coin operated amusement machines after the expiration date if its license or permit renewal has not been issued, unless the holder of the license is notified by the corporation prior to the expiration date of a problem with the renewal.

(m) Holders of manufacturer, distributor, and location licenses and temporary location permits shall be subject to the same provisions of this article with regard to refunds, license renewals, license suspensions, and license revocations as are master licensees.

(n) Failure to obtain a license as required by this Code section shall subject the person to a fine of up to \$25,000.00 and repayment of all fees or receipts due to the corporation pursuant to this article and may subject the person to a loss of all state licenses.

If a master license is not issued, the corporation may retain \$100.00 to cover administrative costs.

(b) The corporation shall not issue or renew a license for a person under this article if the applicant does not designate and maintain an office in this state or if the applicant does not permit inspection by the corporation's agents of his or her place of business or of all records which the applicant or licensee is required to maintain; provided however, that this subsection shall not apply to manufacturers.

(c) The corporation may refuse to issue or renew a manufacturer, distributor, or master license or may revoke or suspend a manufacturer, distributor, or master license issued under this chapter if:

(1) The licensee or applicant has intentionally violated a provision of this chapter or a regulation promulgated under this chapter;

If such unauthorized use occurs, the corporation may fine the licensee as follows:

(A) One thousand dollars for each improper use of a per machine permit sticker; and

In addition, the corporation is authorized to seize the machines in question and assess the master license and permit fees as required by law and to assess the costs of such seizure to the owner or operator of the machines;

(5) Failure to suspend or revoke the license would be contrary to the intent and purpose of this article;

(6) The licensee or applicant has engaged in unfair methods of competition and unfair or deceptive acts or practices as provided in Code Section 50-27-87.1; or

After a master license is revoked by final order and no other appeals are available, any contracts between a master licensee and a location owner or location operator for the providing of bona fide coin operated amusement machines shall be null and void. Nothing in this subsection shall prevent a location owner or location operator from exercising any contractual right to place machines of another master licensee in such location.

The court may affirm the decision of the corporation or chief executive officer in whole or in part; the court shall reverse or remand the case for further proceedings if substantial rights of the appellant have been prejudiced because the corporation's or chief executive officer's findings, inferences, conclusions, or decisions are:

(a) Every owner, except an owner holding a coin operated amusement machine solely for personal use or resale, who offers others the opportunity to play for a charge, whether direct or indirect, any bona fide coin operated amusement machine shall pay an annual permit fee for each bona fide coin operated amusement machine in the amount of \$25.00 for each Class A machine and \$125.00 for each Class B machine. The fee shall be paid to the corporation by company check, cash, cashier's check, money order, or any other method approved by the chief executive officer. Upon payment, the corporation shall issue a sticker for each bona fide coin operated amusement machine. The board may establish procedures for annual collection and set due dates for the fee payments. No refund or credit of the annual fee levied by this article shall be allowed to any owner who ceases the exhibition or display of any bona fide coin operated amusement machine prior to the end of any license or permit period.

(b) The sticker issued by the corporation to evidence the payment of the fee under this Code section shall be securely attached to the machine. Owners may transfer stickers from one machine to another in the same class and from location to location so long as all machines in commercial use available for play by the public have a sticker of the correct class and the owner uses the stickers only for machines that it owns.

(c) Each permit sticker shall not list the name of the owner but shall have a control number which corresponds with the control number issued on the master license certificate to allow for effective monitoring of the licensing and permit system. Permit stickers are only required for bona fide coin operated amusement machines in commercial use available to the public for play at a location.

(d) The corporation may provide a duplicate permit sticker if a valid permit sticker has been lost, stolen, or destroyed. The fee for a duplicate permit sticker shall be \$25.00 for each Class A machine and \$125.00 for each Class B machine. If a permit sticker is lost, stolen, or destroyed, a sworn, written statement must be submitted explaining the circumstances by which the permit sticker was lost, stolen, or destroyed and including the number of the lost, stolen, or destroyed permit before a replacement permit can be issued. A permit for which a duplicate permit sticker has been issued is void.

(e) Each permit sticker issued for a bona fide coin operated amusement machine which rewards a winning player exclusively with free replays, noncash redemption merchandise, prizes, toys, gift certificates, or novelties; or points, tokens, tickets, cards, or other evidence of winnings that may be exchanged for free replays or noncash redemption merchandise, prizes, toys, gift certificates, or novelties, in accordance with the provisions of subsections (b) through (d) of Code Section 16-12-35 shall include the following: "GEORGIA LAW PROHIBITS THE PAYMENT OR RECEIPT OF ANY MONEY FOR REPLAYS OR MERCHANDISE AWARDED FOR PLAYING THIS MACHINE. O.C.G.A. SECTION 16-12-35."

(f) The corporation shall not assess any fees that are not explicitly authorized under this article on a manufacturer, distributor, operator, location owner, or location operator.

(g) All fees assessed by the corporation pursuant to this article shall be considered proceeds derived from a lottery operated on or on behalf of the state and shall not be remitted to the general fund pursuant to Article I, Section II, Paragraph VIII(c) of the Constitution.

(h) It shall be unlawful to remove or deface a sticker which is attached to a machine without authorization by the owner of the machine or the corporation. A violation of this subsection shall be a misdemeanor.

§ 50-27-79. Refund of annual permit fee

No refund shall be allowed for the annual permit fee assessed on each bona fide coin operated amusement machine registered with the corporation except as follows:

(1) The owner makes a written request to the corporation for a refund prior to the beginning of the calendar year for which the permit sticker was purchased and returns the permit sticker;

(2) The owner makes a written request for a refund prior to the issuance of the permit sticker;

(3) The owner makes a written request for a refund claiming the permit sticker was mistakenly purchased for a machine not subject to the permit fee and returns the permit sticker; or

(4) The owner provides the corporation with a sworn affidavit that a machine was sold, stolen, or destroyed prior to the beginning of the calendar year for which the permit was purchased and returns the sticker unless it was attached to the stolen or destroyed machine.

§ 50-27-80. Permit fees for additional machines; penalty fee

If an owner purchases or receives additional bona fide coin operated amusement machines during the calendar year, the applicable annual permit fee shall be paid to the corporation and the sticker shall be affixed to the machine before the machine may be legally operated. A penalty fee equal to twice the applicable annual permit fee shall be assessed by the corporation for every machine in operation without a permit sticker.

§ 50-27-81. Administration of article

(a) The chief executive officer shall provide for the proper administration of this article and is authorized to act on behalf of the corporation for such purpose. The chief executive officer may initiate investigations, hearings, and take other necessary measures to ensure compliance with the provisions of this article or to determine whether violations exist. If the chief executive officer finds evidence of any criminal violations, he or she shall notify the appropriate prosecuting attorney in the county in which such violation occurred.

(b) The chief executive officer is authorized to provide for the enforcement of this article and the board shall provide for collection of the revenues under this article by rule and regulation.

§ 50-27-100. Legislative findings

The General Assembly finds that:

(1) There is a compelling state interest in ensuring the most efficient, honest, and accurate regulation of the bona fide coin operated amusement machine industry in this state; and

(2) The most efficient, accurate, and honest regulation of the bona fide coin operated amusement machine industry in this state can best be facilitated by establishing a Class B accounting terminal to which all Class B machines will be linked by a communications network to provide superior capability of auditing, reporting, and regulation of the coin operated amusement machine industry.

§50-27-101. Class B accounting terminal; communication networks; other procedures and policies

(a) On or before July 1, 2014, in cooperation with the Bona Fide Coin Operated Amusement Machine Operator Advisory Board established under Code Section 50-27-89, the corporation shall procure a Class B accounting terminal linked by a communications network through which all Class B machines in a location shall connect to a single point of commerce for the purpose of accounting and reporting to the state. In no event shall the terminal approved by the corporation limit participation to only one manufacturer or one type of bona fide coin operated amusement machine. Consideration shall be given to the cost associated with retrofitting all existing Class B machines and efforts made to minimize that cost.

(b) Six months after the procurement of a Class B accounting terminal and successful pilot testing, all Class B machines shall be linked by a communications network to a Class B accounting terminal for purposes of monitoring and reading device activities as provided for in this Code section. When the corporation is satisfied with the operation of the Class B accounting terminal it shall certify the effective status of the Class B accounting terminal and notify all licensees of such certification.

(c) The Class B accounting terminal shall be designed and operated to allow the monitoring and reading of all Class B machines for the purpose of compliance with regard to their obligations to the state. The Class B accounting terminal shall be located within and administered by the corporation.

(d) The Class B accounting terminal shall not provide for the monitoring or reading of personal or financial information concerning patrons of bona fide coin operated amusement machines.

(e) Any entity that acts as a vendor for the corporation in building, operating, maintaining, or contracting to build, operate, or maintain a Class B accounting terminal shall be prohibited from obtaining a license as an operator or location owner or location operator. As used in this subsection, the term "entity" shall also include the entity's employees, independent contractors, consultants, or any other person as defined in paragraph (15) of subsection (b) of Code Section 50-27-70 which is related to the entity during the time the vendor is involved with providing service as it relates to the Class B accounting terminal for the corporation.

(f) Except as provided in subsection (e) of Code Section 50-27-73, nothing in this part shall be construed to provide any authority to the corporation to limit or eliminate Class B machines or to limit, eliminate, or unduly restrict the number of licenses, permits, or certifications for operators or location owners or location operators.

(g) The corporation shall not expand, limit, or otherwise alter what constitutes a bona fide coin operated amusement machine and the permitted redemption related items, except that the corporation shall be permitted to authorize any ticket or product of the corporation.

§ 50-27-102. Role of corporation; implementation and certification; separation of funds and accounting

(a) Upon successful implementation and certification of the Class B accounting terminal under the provisions of Code Section 50-27-101, and for the first fiscal year thereafter, the corporation shall:

(1) Retain 5 percent of the net receipts;

(2) Provide, within five business days of receipt, 47.5 percent of the net receipts to the location owner and location operator for the cost associated with allowing the Class B machines to be placed; and

(3) Provide, within five business days of receipt, 47.5 percent of the net receipts to the operator holding the Class B master license for the cost of securing, operating, and monitoring the machines.

(b) In each fiscal year after the implementation and certification required by subsection (a) of this Code Section, the corporation's share shall increase 1 percent, taken evenly from the location owner or location operator and the operator, to a maximum of 10 percent.

(c) The corporation shall require location owners and location operators to place all bona fide coin operated amusement machine proceeds due the corporation in a segregated account in institutions insured by the Federal Deposit Insurance Corporation not later than the close of the next banking

day after the date of their collection by the retailer until the date they are paid over to the corporation. At the time of such deposit, bona fide coin operated amusement machine proceeds shall be deemed to be the property of the corporation. The corporation may require a location owner or location operator to establish a single separate electronic funds transfer account where available for the purpose of receiving proceeds from Class B machines, making payments to the corporation, and receiving payments for the corporation. Unless otherwise authorized in writing by the corporation, each bona fide coin operated amusement machine location owner or location operator shall establish a separate bank account for bona fide coin operated amusement machine proceeds which shall be kept separate and apart from all other funds and assets and shall not be commingled with any other funds or assets. Whenever any person who receives proceeds from bona fide coin operated amusement machines becomes insolvent or dies insolvent, the proceeds due the corporation from such person or his or her estate shall have preference over all debts or demands. If any financial obligation to the corporation has not been timely received.

(d)(1) As a condition of the license issued pursuant to this article, no master licensee or location owner or location operator shall replace or remove a Class A or Class B bona fide coin operated amusement machine from a location until the master licensee and location owner or location operator certify to the corporation that there are no disputes regarding any agreement, distribution of funds, or other claim between the master licensee and location owner or location operator; provided, however, that this certification shall not be required if a master licensee is replacing its own Class A or Class B bona fide coin operated amusement machine at a location. If either the master licensee or location owner or location operator is unable to make the certification required by this Code section, the corporation shall refer the dispute to a hearing officer as set forth in this subsection

(2) The corporation shall have jurisdiction of all disputes between and among any licensees or former licensees whose licenses were issued pursuant to this article relating in any way to any agreement involving coin operated amusement machines, distribution of funds, tortious interference with contract, other claims against a subsequent master license holder or location owner, or any other claim involving coin operated amusement machines; provided, however, that this paragraph shall not apply to any agreement which expired on or before April 10, 2013. Except as provided in paragraph (1) of this subsection, the corporation shall refer any dispute certified by any master licensee against any other master licensee or any location owner or location operator or by any location owner or location operator against any master licensee to a hearing officer. For the purpose of service on licensees with respect to disputes, each licensee or former licensee shall register and keep current with the corporation the name of an agent and his or her address and an e-mail address which shall be made available to any licensee on request. Service by registered mail, courier delivery, or overnight mail delivered to the agent's registered address and to the e-mail address shall be adequate service on the licensee for a hearing on the dispute. All disputes subject to the provisions of this Code section certified by a master licensee, location owner, or location operator shall be decided by a hearing officer approved or appointed by the corporation. The corporation shall adopt rules and regulations governing the selection of hearing officers after

consultation with the Bona Fide Coin Operated Amusement Machine Operator Advisory Board. Costs of the hearing officer's review, including any hearing set pursuant to this Code section, shall be shared equally between the parties in the dispute unless provided otherwise in the agreement or by the hearing officer; provided, however, that the corporation shall not be responsible for any of the costs associated with the dispute resolution mechanism set forth in this Code section. If any party fails to timely pay the costs of the hearing officer's review within ten days of service of notice of costs by the hearing officer, the hearing officer shall grant a default judgment on liability against the nonpaying party. The hearing officer shall then consider evidence related to damages or any relief and shall render judgement based upon a preponderance of the evidence.

(3) The corporation shall also adopt rules governing the procedure, evidentiary matters, and any prehearing discovery applicable to disputes resolved pursuant to this Code section. Such rules shall be consistent with the Georgia Arbitration Code, and the corporation shall consult the Bona Fide Coin Operated Amusement Machine Operator Advisory Board regarding the procedures or rules adopted pursuant to this subsection. Notwithstanding Code Section 9-9-9, such procedures and rules shall include at least the right of notice to produce books, writings, and other documents or tangible things; depositions; and interrogatories.

(4) If requested by the master licensee or the location owner or location operator, the hearing officer shall conduct a hearing as to the dispute, but in no case unless extended by the hearing officer for a good cause shall the hearing officer conduct a hearing more than 90 days after he or she has been appointed or selected to decide the dispute. No Class B bona fide coin operated amusement machine that is subject to the dispute resolution mechanism required by this Code section shall be removed from the terminal by a master licensee, location owner, or location operator or otherwise prevented by a master licensee, location owner, or location operator from play by the public until a final decision is entered and all appellate rights have been exhausted, or until the master licensee and location owner or location operator agree to a resolution, whichever occurs first.

(5) The decision of the hearing officer may be appealed to the chief executive officer or his or her designee. The chief executive officer shall not reverse a finding of fact of the hearing officer if any evidence supports the hearing officer's conclusion. The chief executive officer shall not reverse a conclusion of law of the hearing officer unless it was clearly erroneous, arbitrary, and capricious or exceeded the hearing officer's jurisdiction. The decision of the chief executive officer may be appealed to the Superior Court of Fulton County, which court shall not reverse the chief executive officer's findings of fact unless it is against the weight of the evidence as set forth in Code Section 5-5-21, and the chief executive officer's legal conclusions shall not be set aside unless there is an error of law."

§ 50-27-103 Removal of Class B machines; notification; audits

(a) Any local governing authority may, after providing no less than 60 days' notice to all master licensees and location owners and location operators, and in a manner consistent with this Code section, vote to remove any Class B machines from the local jurisdiction.

(b) Beginning on the first day of the first January after the certification of the Class B accounting terminal under the provisions of Code Section 50-27-101:

(1) The corporation shall notify any master licensee and location owner and location operator of any materially adverse findings of any audit conducted by the corporation to ensure compliance with Code Section 50-27-102. The notice shall be provided to both the master licensee and the location owner or location operator, regardless of which party's acts or conduct caused the materially adverse finding;

(2) If, after the notice required by this Code section, another consecutive audit conducted by the corporation not less than six months later contains a similar materially adverse finding, the corporation shall notify the master licensee and the location owner or location operator that were audited and every master licensee and location owner and location operator in this state. After the second consecutive audit described in this paragraph, the corporation may enter into a corrective action plan with the master licensee or the location owner or location operator, or both. If the next audit conducted by the corporation not less than six months later contains a similar materially adverse finding, the corporation shall notify the master licensee and the location owner or location operator that were audited and every master licensee and location owner and location operator in this state, and such notice shall be considered an order by the corporation. Unless a longer period of time is agreed to by the corporation, not more than 30 days after the third consecutive materially adverse audit finding, the master licensee and location owner or location operator that were audited may appeal the findings of any of the three audits to the Office of State Administrative Hearings as a contested case under Chapter 13 of Title 50, the "Georgia Administrative Procedure Act." If the master licensee or location owner or location operator that was audited does not appeal the corporation's order as authorized in this Code section, it shall be deemed a final order and shall be used to determine whether the notice to local governing authorities provided for in paragraph (3) of this subsection is required, and only upon such notice shall the action described by subsection (a) of this Code section be authorized. For the purposes of this Code section, notice shall be provided in the same manner required by subsection (b) of Code Section 50-27-74; and(3) If, pursuant to paragraph (2) of this subsection, a final judgment or final order has been entered against at least 15 percent of master licensees and location owners and location operators in a local jurisdiction over any consecutive two-year period, the corporation shall notify the city or county and each and every licensee in this state.

§ 50-27-104. Penalties

The penalties provided for in this article shall be in addition to any criminal penalties that may otherwise be provided by law.
